

DISCOVER BARNWELL COUNTRY PARK

Three circular trails allow you to discover the park, its wildlife and many features at your own pace. The trail paths provide easy access around the park. They are hard-surfaced (except for sections of Riverside Walk) with seats and / or resting points every 200 metres. All the paths are on level surfaces. Disabled parking is available outside the Visitor Centre and Mill Lake. It is possible to borrow a wheelchair from the Visitor Centre.
